Bible overview course

What can really help our bible study is a framework that covers the whole bible. One way of creating that is through being part of an interactive course group. At St Richards we run The Bible Course created by the Bible Society it is an eight-session course helping us explore the BIG story.

"Big, complex, old ... just some of the words people use to describe the Bible". Sound familiar? That's where *The Bible Course* comes in. The course will increase your confidence, equip you to read the Bible better and help you to see its relevance to daily life. The course provides a birds-eye view of the world's bestselling book.

Over eight interactive sessions, it combines video teaching, group discussion and personal reflection and daily readings. If you would like to be part of our next course have a chat with Trish or Mark.

You can really grow

How to thrive in your Christian life

By John Hindley

God does not want us simply to survive in our faith. He wants us to thrive, to enjoy growing as part of his family.

Many of us want to grow, but don't know how to. Many of us feel stuck in a rut in our faith, or are following routines that don't seem to work. John shows us what growth actually is... why growth is hugely exciting... and how to grow into the people we long to be.

You can really grow, and this book shows you how.

For our Prayers

Going for Growth

The primary phases in our Going for Growth project are:

Phase 1 the purchase of the Hawes bungalow.

Phase 2 the purchase of the St Richards site.

Phase 3 the design and construction of new facilities.

Phase 4 setting the foundation that springboards our church into the next season of its ministry.

So, we pray...

The prayer for phase 2 will remain the same for now. Give thanks that the path is clear and now mapped out for our site to be sold by its current owners SMAA & AS, and subsequently purchased by CWGT.

Pray for the effective fulfilment of the next four next steps in that path.

- 1) A suitable mutually agreeable surveyor can be found to fulfil the "section 119" valuation process
- 2) The compilation of the paperwork that constitutes the formal request to the DBF
- 3) The drawing up of a mutually agreeable lease agreement between CWGT and PCC of All Saints and St Richards
- 4) That this lease agreement will be acceptable to the Disease to grant us a license to worship on our site

With phase 3 being "paused" to allow for further investigation into the plausibility of All Saints securing a site for their future developments (project "next generation"). Please continue to pray that we would be impassioned for mission focusing on growing the people of God's Kingdom, that it will not be that long before we're hiring in the baptism pool again!

You may remember from the last Take2 Sunday where a proposal to utilise a strip of land of the Hawes to create a third space and office for Mark were shown. Give thanks for Karl and Andrew Steen who have worked on the production of the necessary plans to be presented to the Trust and the planners. Pray that our request to move the telegraph pole will be responded to asap. Pray that the steering team may be able to meet with the trustees asap.
