SUSSEX GOSPEL PARTNERSHIP

St Richards church is part of a network of churches in Sussex called the Sussex Gospel Partnership. One aspect of church life that the network does is to offer training opportunities.

The training courses are for Christians of all ages from different Churches across Sussex and beyond who come together for Biblical instruction and training, and warm fellowship. Through lectures, group work, class discussions and teaching workshops, students on the course gain the following:

- A firm understanding of the Bible & its teaching
- Confidence and ability to share the Bible with others
- A practical understanding of biblical ministry

The result is that you are equipped to be more effective in living for Christ and serving him in the church and the world.

There are two versions to fit most life stages and circumstances

The Sussex Ministry Training Course (SMTC)

This course is run over three 11-week terms on a Tuesday, in Cuckfield, near Haywards Heath, starting in September every year. The course day runs from 10am to 4:15pm at Cuckfield Baptist Church. Students who complete the first year have an option of continuing for a second year that builds on the foundation laid in year one.

The Saturday Morning Bible Training Course (SMBTC)

This course is a cut-down version of year one of the Tuesday course aimed at those who are not free to undertake a week-day course. Students are required to attend once each month (excluding August) from 9:30am to 1:00pm and it takes two years to complete the course. To widen accessibility, the SMBTC is run in various locations across Sussex (East/Mid/West). The next course for 1st year enrolment is due to run from Eastbourne from September 2022 to Summer 2024; for 2nd year students the course continues from September 2022 to summer 2023 in Hove. Students who complete the Saturday course have the option of taking year two of the Tuesday course. The lectures on all our courses are recorded so that students who miss a session are able to catch up on-line.
