Going for Growth STAGE 2

Securing a Gospel presence in Southern Crowborough for the next 100 years

St Richard's
CROWBOROUGH

The Rev'd Pete Winstone
Lead Minister

LET'S COMPLETE THE VISION!

A great start has been made to the **Going for Growth** project, launched to develop the Gospel reach of St Richard's Church in Southern Crowborough. Now we need to complete Stage 2 because:

- In Crowborough 96% of people don't go to church and are missing out on the life-saving, hope-giving message of Jesus Christ.
- Crowborough is still growing and thousands of people are moving into new housing across the town, the majority being in Southern Crowborough.
- Just like having more lamps lighting a room, more churches in Crowborough will spread the light of the Gospel more effectively.
- The current St Richard's building is small and has already passed its shelf life.
- The adjacent site has already been secured by the **CROWBOROUGH WEALD GOSPEL TRUST (CWGT)** for **Going for Growth**.

THREE WAYS TO GET INVOLVED

- 2 PRAY – Sign-up to receive regular prayer emails specific to **Going for Growth**.
- 3 HELP – Do you have relevant experience or expertise in a building project or fundraising? If so please let us know.

STAGE 1 COMPLETED

Since 2005 St Richard's Church has been seeking to replace and expand its ageing building by acquiring the bungalow next door. In 2020 that opportunity came up and it was so encouraging that in just six weeks the combined church families of St Richard's and All Saints raised the money for the **CROWBOROUGH WEALD GOSPEL TRUST (CWGT)** to purchase The Hawes in 2021.

The Hawes was purchased in 2021.

● St Richard's Church, Fermor Road, Crowborough TN6 3AP. ● The Hawes.

Since its construction in 1957 St Richard's has brought the Christian message to those in Southern Crowborough and beyond. To continue this vital ministry it now needs a new building on this larger site, outlined here in red.

STAGE 2 NOW

In 2025 the Diocese of Chichester agreed to the purchase of St Richard's site by the **CWGT** from the PCCs of All Saints & St Richard's and St Michael's (who will share the proceeds of the sale equally). This will enable the St Richard's and The Hawes sites to be developed together. It will also secure the building for the long-term future by being owned by the **CWGT**.

NOW – £107,500 is needed to purchase St Richard's.

The District Council has also agreed St Richard's side expansion plans. These are needed because space is currently limited, especially for the children's groups on Sundays. The temporary side expansion would create additional meeting and office space with one or two portable cabins.

NOW – £54,000 is needed for cabins.

STAGE 3 FUTURE

Design, Planning, Fundraising.

STAGE 4 FUTURE

Build, aim to start before 2030?

SO NOW...

... with St Richard's set for Gospel growth, will you prayerfully consider helping us to raise the funds which we urgently need for Stage 2: purchasing St Richard's and providing temporary cabins, so that the church can then move forward to **Growing for Growth** Stages 3 and 4, the planning and designing, fundraising and constructing of the new building that is now required to meet the Gospel needs of Southern Crowborough for the next 100 years. **Here's how we can do that together ...**

Current CWGT Reserves:	£140,000
Cost of Site Purchase:	£247,500
Extra needed for Site Purchase:	£107,500
Cost of Side Expansion:	£54,000
Total needed £161,500	

We have more than 700 people in our two church families. We could easily raise the money if:

10 people give £16,200 each,
or 100 people give £1,620 each,
or 250 people give £650 each.

But any amount given with a generous heart is of great value; whether £1, £5, £50 or £161,500! Please reflect, pray and give whatever you can to make this vision for the growth of God's kingdom in our town into a reality.
